

Ariba® Network Quick Start Guide

Boehringer
Ingelheim

SAP Ariba 

*This guide is aimed at full account suppliers only

Get Started 

Using This Guide

The purpose of this guide is to help suppliers understand a basic overview to getting started on Ariba Network.

You may navigate this guide by:

- Clicking the buttons in the toolbar
- Clicking the hyperlinks on the pages – Hyperlinks may be words or shapes within the graphics
- Using the bookmark panel to the left

This button will take you back to the previous page

This button will take you to the next step

If you need additional help, click the help button that will assist you in finding the appropriate support contact.

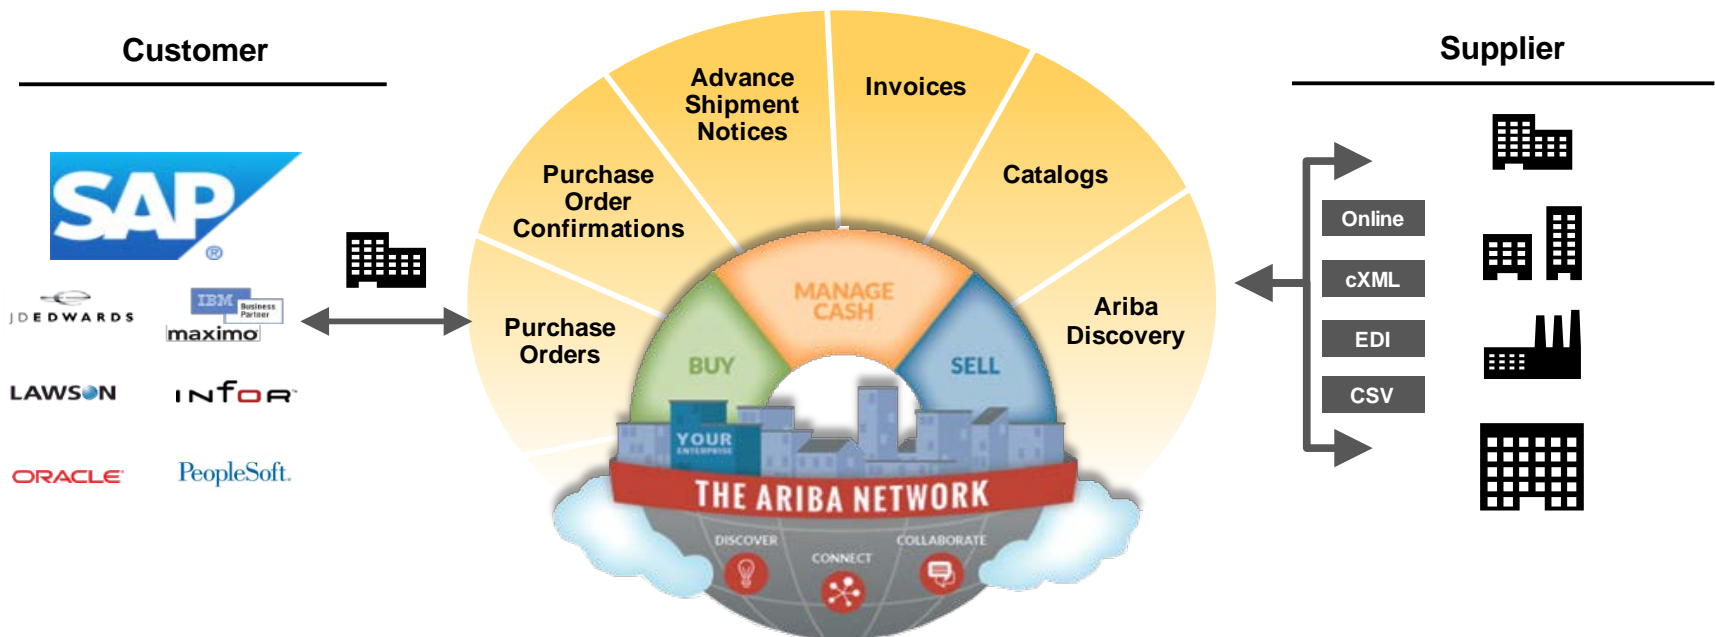

The HOME button will return you to the Guide Contents page

Tabs in the lower left corner link out to our Community Support pages. Look for these to answer your most common questions.

SAP Ariba is the leading business network

Your customer has selected Ariba as their electronic transaction provider. As a preferred supplier, you have been invited by your customer to join the Ariba Network and start transacting electronically with them.

SAP Ariba can help you...

Collaborate immediately with all trading partners?

- Immediate access to online invoice creation tool
- Automation and catalog posting for your buyers in <8 weeks

Turn paper into efficient electronic transactions?

- 75% faster deal closure
- 75% order processing productivity gains via cXML
- 80% increase in order accuracy through PunchOut

Catch errors and correct them – before they even happen?

- 64% reduction in manual intervention

See opportunities you're missing and have the ability to trade globally?

- 15% increase in customer retention
- 30% growth in existing accounts
- 35% growth in new business

Scope and goals

Why?

With our initiative we will globally provide transparent and easy-to-use / intuitive Source-to-Pay process with ONE state of the art User Interface.

We are harmonizing, optimizing and automating our process in the area of:

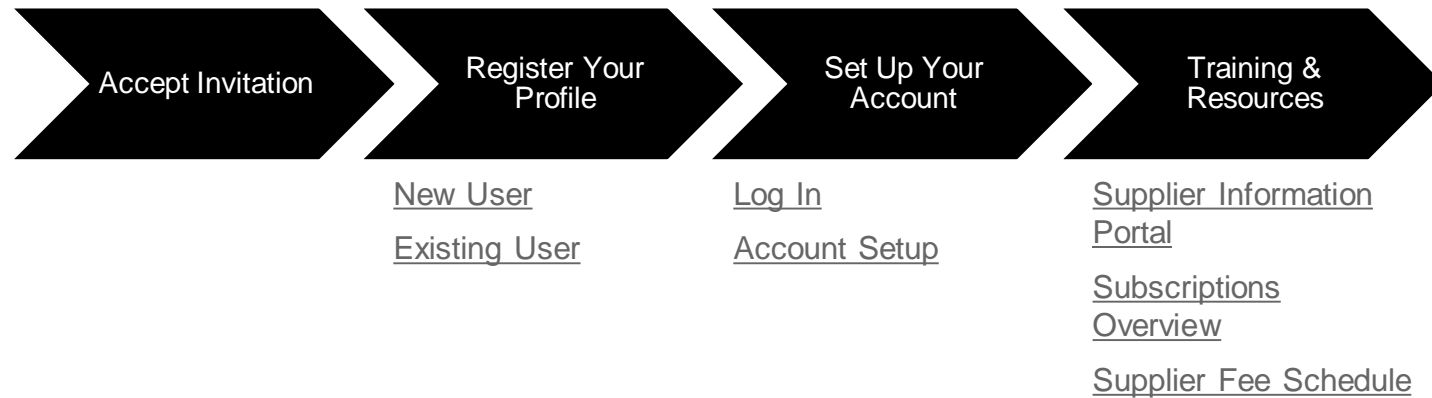

- Sourcing
- Procurement
- Accounts Payable

When?

Date is going to be communicated. Then, using the Ariba Network will be a standard at Boehringer Ingelheim for both new and all existing suppliers.

Purchase orders will be issued electronically.

HOME: Get Started

Accept your invitation

The invitation is also referred to as the Trading Relationship Request, or TRR. This e-mail contains information about transacting electronically with your customer.

➔ Click the link in the emailed letter to proceed to the landing page.

To Acme Supplier,

Boehringer Ingelheim has identified you as a strategic supplier in which we would like to be able to enhance the order collaboration process with your organization via the Ariba Network.

We kindly ask you [accept](#) the trading relationship letter and register yourself on the Ariba network. An Ariba Network representative will reach out to you for next steps to be ready for Transactions.

ACTION REQUIRED

Your customer, **Boehringer Ingelheim and its affiliates**, is changing the way they do business with their valued suppliers. The goal is to make the process by which your company receives purchase orders and/or gets paid as efficient as possible.

To enable your company to process orders or invoices with **Boehringer Ingelheim and its affiliates**, click the link below to get started.

➔ [Accept your customer's trading relationship request](#)

(Please click the link above whether or not you have an existing account on the Ariba Network.)

If this invitation did not reach the appropriate person in your company, please forward as needed.

WHAT IS THE ARIBA NETWORK?

Ariba, an SAP company, offers solutions and services that enable you to easily share information and business processes with your customers through the Ariba Network, such as:

- Accelerate the sales cycle and lower the cost of sales
- Find new customers who are actively looking for what you sell
- Drive more business with current customers

ARE THERE FEES ASSOCIATED WITH THIS SERVICE?

There are no fees to register. However, depending on how much you use your Ariba Network account to do business with your customers, fees may apply. [Learn more about fees.](#)

WHAT TO EXPECT NEXT

Once you register on the Ariba Network, you might receive further instructions from your customer on how to confirm that your account is properly set up. Alternatively, after registering, log in to your Ariba Network account and click the Enablement tab, where you might see further tasks to complete.

HAVE ANY MORE QUESTIONS?

For general questions about the Ariba Network, visit [Ariba Answers](#).

For instructions and online demonstrations provided by your customer, visit the [Supplier Information Portal](#).

To submit questions to your customer related to this Ariba Network trading relationship request or to request that the customer stop contacting you, [click here](#).

For any additional questions or further assistance, please contact [Ariba Customer Support](#).

Sincerely,

The Ariba Network Team

Welcome to Ariba® Network

SMO Buyer has invited you to join Ariba Network.

New User

Are you new to the Ariba Network? If you do not have an account and would like to participate, click **Register Now**. By signing up with the Ariba Network, you will establish a trading relationship with your requesting customer. Your new account will also be visible to other buying organizations on the Ariba Network.

[Register Now](#)

[I have further questions for my requesting customer](#)

Existing User

If you already have an Ariba Commerce Cloud or Ariba Discovery account, enter your existing username and password and click **Confirm** to log in to the Ariba Network.

Username:

Password:

[Forgot Password?](#)

[Confirm](#)

When you confirm your existing username and password, Ariba will send a notification to your requesting customer, informing them that you already have an Ariba Network account and that you have accepted their trading relationship request.

Register as a New User

1. Select **Register Now**
2. Enter all fields marked required with an asterisk (*) including:

- **Company Name**
- **Address**
- **City**
- **State**
- **Zip**

3. Fill in additional optional fields to help complete your profile.

- **Product and Service Categories**
- **Ship-To or Service Locations**
- **Tax ID**
- **DUNS Number**

4. Accept the **Terms of Use** by checking the box.

5. Click **Continue** to proceed to your home screen.

The screenshot shows the 'Ariba Network' registration page. The title is 'Enter Your Ariba Commerce Cloud Information'. A yellow circle with the number '5' is next to the 'Continue' button. The form is titled 'Enter basic company information' and includes a note: '* Indicates a required field'. The form fields are:

- Company Name* (text input)
- Country* (dropdown menu, currently 'United States [USA]')
- Address* (three stacked text input fields labeled 'Line 1', 'Line 2', and 'Line 3')
- City* (text input)
- State* (dropdown menu, currently 'Pennsylvania')
- Zip* (text input)
- Product and Service Categories: (text input with 'Add' and 'Browse' buttons)
- Ship-to or Service Locations: (text input with 'Add' and 'Browse' buttons)
- Tax ID: (text input with 'Optional' label and 'Enter your nine-digit Company Tax ID number.'
- DUNS Number: (text input with 'Optional' label and 'Enter the nine-digit number issued by Dun & Bradstreet. ⓘ')

 A yellow circle with the number '2' is next to the 'Address' field, and a yellow circle with the number '3' is next to the 'Product and Service Categories' field.

Log on to Ariba® Network

- ➔ Log in using your current Ariba username and password in order to accept the relationship with your customer.

Existing User

If you already have an Ariba Commerce Cloud or Ariba Discovery account, enter your existing username and password and click **Confirm** to log in to the Ariba Network.

Username:

Password: [Forgot Password?](#)

When you confirm your existing username and password, Ariba will send a notification to your requesting customer, informing them that you already have an Ariba Network account and that you have accepted their trading relationship request.

[Trouble Logging In?](#)

Set Up Your Account

1. From the Home Screen click the **Company Settings** menu dropdown.
2. Select **Electronic Order Routing** under **Network Settings**.
3. Choose one of the following routing methods for your purchase orders:
 - **Online**
 - **cXML**
 - **EDI**
 - **Email**
4. Configure e-mail notifications.

Training and Resources

Supplier Information Portal

1. Select the name of your company in the top right corner and then click the **Customer Relationships** link.
2. Select the **buyer name** to view transactional rules.
3. Select **Supplier Information Portal** to view documents provided by your buyer.

The screenshot displays the 'Account Settings' page in SAP. The main content area is divided into sections for 'Customer Relationships', 'Users', 'Notifications', and 'Account Hierarchy'. Under 'Customer Relationships', there are tabs for 'Current Relationships' and 'Potential Relationships'. A section titled 'I prefer to receive relationship requests as follows:' contains two radio buttons: 'Automatically accept all relationship requests' (selected) and 'Manually review all relationship requests'. Below this is an 'Update' button. A 'Pending' section shows a table with a 'Customer' header and 'Approve' and 'Reject' buttons. A 'Current' section shows a table with columns for 'Customer', a checkbox, and a 'Supplier Information Portal' link. The table lists 'Ariba Inc.' and 'Pouliot Industries'. A sidebar on the right, titled 'Company Settings', lists various menu items, with 'Customer Relationships' highlighted and circled with a '1'. In the main content area, 'Ariba Inc.' is circled with a '2' and the 'Supplier Information Portal' link is circled with a '3'.
